

What we clean, room by room

Print this, walk your home with it, and tick what matters to you. Anything here can be adjusted — you do not have to have the whole house cleaned. Questions? Call **847-382-0082** and a real person will pick up.

Kitchen cleaning checklist

- ☐ Counters cleared, wiped down and put back; backsplash cleaned
- ☐ Sink and drain scrubbed; faucet and fixtures dried by hand, because the water out here is hard and leaves a film
- ☐ Cooktop, the front of the range, and the knobs
- ☐ Microwave cleaned inside and out, turntable included
- ☐ Refrigerator and dishwasher exteriors, handles included — they are touched more than anything else in the room
- ☐ Cabinet and drawer fronts spot-cleaned where marks and fingerprints show
- ☐ Table and chairs wiped, legs and rungs included
- ☐ Light switches, outlet plates and light fixtures within reach
- ☐ Window sills, ledges and blinds dusted
- ☐ Bin emptied and relined
- ☐ Floors vacuumed with sealed-HEPA machines, then mopped in detail — into the corners, along the edges, and into the toe kick under the cabinets

Bathroom cleaning checklist

- ☐ Toilet cleaned base to lid — under the rim, around the hinges, and behind the pedestal
- ☐ Tub and shower scrubbed; glass, tile and grout worked for soap film and mineral film
- ☐ Shower door track cleared out
- ☐ Sink, counter, faucet and drain scrubbed; chrome dried by hand so it does not spot
- ☐ Mirror cleaned
- ☐ Cabinet and drawer fronts spot-cleaned
- ☐ Switch plates, door handles and towel bars
- ☐ Vent cover, light fixture, and cobwebs in the ceiling corners
- ☐ Window sill and blinds dusted
- ☐ Bin emptied and relined
- ☐ Floor vacuumed then mopped, including behind the toilet and along the baseboard

Bedroom cleaning checklist

- ☐ Beds made — or linens changed if fresh sets are left out on the bed, which is an add-on
- ☐ Nightstands, dressers, headboards, shelves, lamps and picture frames dusted
- ☐ Mirrors and glass tops cleaned
- ☐ Ceiling fan blades and light fixtures within reach
- ☐ Switch plates, door handles and door frames
- ☐ Window sills, ledges and blinds dusted
- ☐ Baseboards dusted
- ☐ Bin emptied
- ☐ Floors vacuumed, including under the bed where it is reachable, then mopped if the floor is hard

Living areas and dining room checklist

- ☐ Dusting worked high to low — shelves, mantel, picture frames, lamps, books and decor lifted and put back
- ☐ Coffee tables, side tables and glass tops cleaned
- ☐ Sofa and chair surfaces vacuumed as needed; vacuuming inside the sofa, under the cushions, is an add-on
- ☐ Dining table and chairs wiped, legs and rungs included
- ☐ Ceiling fan blades and light fixtures within reach
- ☐ Switch plates, door handles and handrails
- ☐ Window sills, ledges and blinds dusted
- ☐ Cobwebs in ceiling corners, vents and registers
- ☐ Baseboards dusted
- ☐ Floors vacuumed with sealed-HEPA machines, then mopped in detail

Entry, stairs and hallway checklist

- ☐ Front and back door glass cleaned on the inside, including the narrow sidelights; the door and frame washed where hands land
- ☐ Stair rails and spindles wet-wiped, one spindle at a time
- ☐ Stair treads and risers vacuumed edge to edge, into the corner where the tread meets the riser
- ☐ Closet doors, trim and door frames
- ☐ Switch plates, handles, and the wall around the light switch
- ☐ Cobwebs in the ceiling corners, plus vents and registers
- ☐ Baseboards dusted the full run of the hallway
- ☐ Floors vacuumed then mopped, including the strip inside the front door where grit collects

Laundry room checklist

- ☐ Washer and dryer exteriors, tops and control panels
- ☐ Sink and faucet scrubbed
- ☐ Shelves, counters and horizontal surfaces dusted
- ☐ Light fixture, switch plates and cobwebs
- ☐ Window sill and blinds dusted
- ☐ Bin emptied
- ☐ Floor vacuumed then mopped
